Tywooh Kimono

A high-neck silk tie & dye kimono jacket with pleat detailing, chiffon sleeves, and slits to the front and back. This Kimono is versatile and designed with optimal value in mind, with the option to wear it in 4 distinct ways. The soft silhouette offers a fluidity that lifts you, taking you to new style heights.

Kafmono

A hybrid between the well loved Kimono & easy to wear Kaftan has earned it the apt title - "Kafmono". This maxi-masterpiece features a structured collar that can be embellished, and 4 floating panels that skim over the body and flatter every body shape and size.
